PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Advisory Action Continued

The amendment filed July 17, 2009 under 37 CFR 1.116 in reply to the final rejection has been considered but is not deemed to place the application in condition for allowance and will not be entered because of the following:

- a. The proposed amendment requires further consideration and/or search (e.g. the new limitation “with the structure of FR1-CDR1-FR2-CDR2-FR3-CDR3-FR4” of claim 9).
- b. The proposed amendment may necessitate the modification of outstanding rejection(s) to address the new limitation.
- c. The proposed amendment may necessitate the raising of new prior art rejections.
- d. The proposed amendment may necessitate the raising of new 112 issues.
- e. There is no convincing evidence under 37 CFR 1.116(b) why the proposed amendment was not earlier presented.
- f. Applicants arguments of the prior art of record are moot since the arguments are based on the proposed amendments that have not been entered.
- g. For all the reasons above, the amendment does not place the application in better condition for allowance and/or appeal.
- h. Regarding the IDS, copies of two NPLs were not provided. In addition, it appears that several references were supplied but not listed on the IDS.⁷

Future Communications

Any inquiry concerning this communication or earlier communications from the examiner should be directed to AMBER D. STEELE whose telephone number is (571)272-5538. The examiner can normally be reached on Monday through Friday 9:00AM-5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christopher Low can be reached on 571-272-0951. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
